

Photographic Production Services, Inc.

Press Printed Cards - two to three day service

Press Printed Cards are available from your digital design files. Cards are sold in sets as indicated below. When ordering, order the number of sets of ea. card you wish to purchase not the numbers of cards. Available on 100 lb card stock in Matte, Lustre, Linen or Pearl finish. UV coating is available for an additional charge on Matte or Pearl finish only. When Designing your card please add a 1/8" bleed to all outside edges. Spreads are preferred for folded cards, but we will accept separate files for the front and back and/or inside left and inside right pages. Keep in mind that no bleed is required for inside edges. File may be submitted as psd, tiff, jpeg or pdf.
